

Security Window Grilles

SecureoGuard

The SecureoGuard Retractable Gate System combines a classic appearance with effective protection, ideal for home or workplace. The high security 1001 is tested and approved to LPS 1175-1. The system can be easily fitted to the face or reveal of a window or door aperture and can be specified in a single or double-sash configuration. Where a clear walk through is required SecureoGuard's bottom track can, as an optional extra, be made to fold up.
